

ECO

Mekser know-how and benefits in a compact package. Using galvanized steel as a start, electrostatic powder coating by 200 celcius provides strong protection against rusting. Or you can opt for stainless steel for ultimate protection against external conditions.

OPITONAL SPECIFICATIONS	
Electronic Unit Heat Element	300 W.
Combo	DEF
Z Swivel	3/4", 1"
High Efficiency	70, 120 lt /min

FUNCTIONAL SPECIFICATIONS				
Model	Type	Product	Nozzles	Filling
M311	Suction / Pressure	1	1	1
M312	Suction / Pressure	1	2	2
M322	Suction / Pressure	2	2	2
